

## yp Search - New Feature Highlights

The Internet Yellow Pages has been lately revamped in April. With the powerful search engine, comprehensive database and user-friendly interface, we aim to provide the best Hong Kong's online company search platform for the Internet users. The original search functionality by company, industry keywords or telephone numbers has been enhanced with the brand new features listed below.

### (1) "Category" and "District" Search

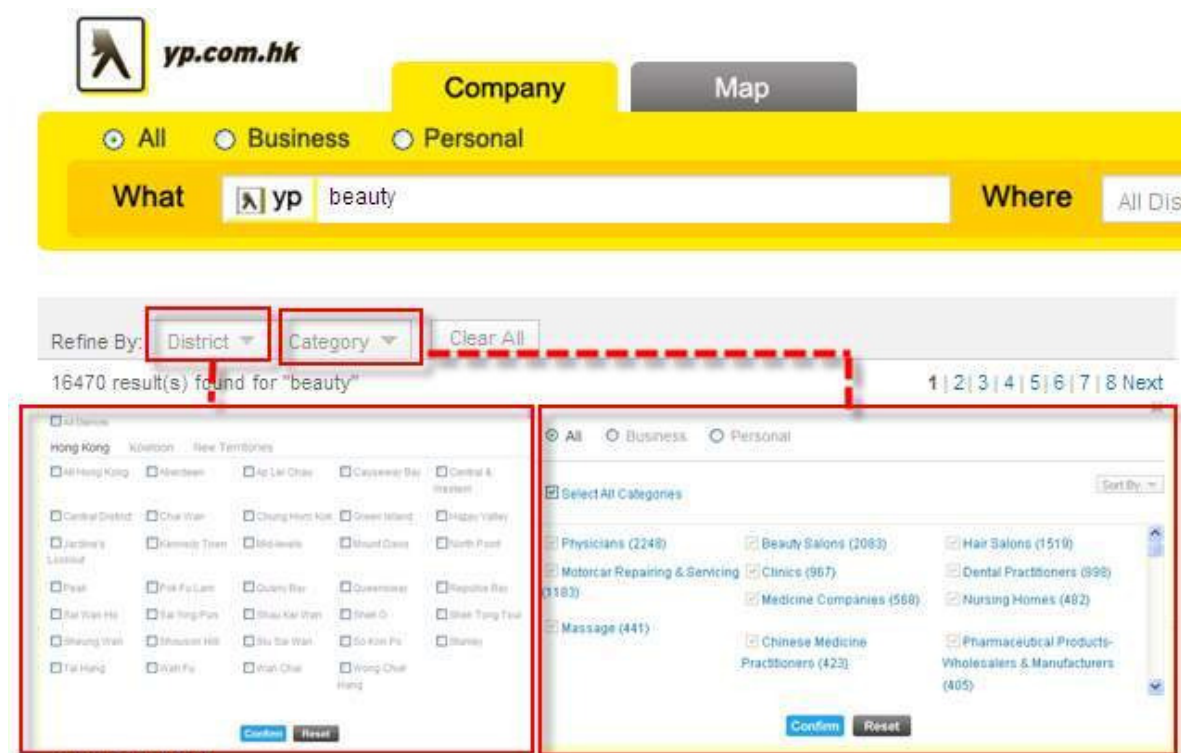

❶ Please select the category first. You can select "Business" radio button for business/ trading search, or select "Personal" radio button for personal/ retail search. Please select "All" radio button if you do not have any preferences.

❷ If you look for specific search by district, either you can select any of the 48 districts from the drop down box of "Where", or you can directly input the district, then press "Search".

### (2) "District" & "Category" Filter

You can un-check "All Districts" box on the search result page, and then narrow down the search by checking out specific district or/ and category.

### (3) Easy to Search and View the Companies and their Branches

The screenshot shows the yep.com.hk website interface. At the top left is the logo and the text "yp.com.hk". To the right are links for "繁體" and "簡體". Below the logo are tabs for "Company" and "Map". A yellow navigation bar contains radio buttons for "All", "Business", and "Personal". Below this is a search bar with "What" and "Where" sections. The "What" section has a dropdown menu showing "yp" and "Pizza Hut". The "Where" section has a dropdown menu showing "All Districts" and a "Search" button. Below the search bar is a "Refine By:" section with "District" and "Category" dropdowns and a "Clear All" button. The search results show "1 result(s) found for '29047055'".
